### Trip Talk

#### Campers:

Next week includes a trip to everybody's favorite **Adventureland** on July 17th.

#### Parents:

For our Adventureland trips campers will be allowed to visit the concession stands and souvenir shops, so if you desire you may send them with a few extra dollars to enjoy a snack and buy a little something. Please remember to have your child wear their camp shirts **everyday**, but especially on TRIP days! This helps us ensure the safety of your children! Sack lunches will also be provided. Please **Do Not send Backpacks on our Adventureland Day Trip!!!**

### Camper's Corner

This week our **12+ Boys** created and ran a football clinic for our lower camp 6/7 boys group. This was part of our Camp Leadership Program, which is designed to teach them skills in teamwork, while helping others in their community. The boys served as role models and truly enjoyed the experience. The days activities included drills that would help our younger campers learn and understand the fundamentals of the game while at the same time having a blast. So, congratulations to our **12+ Boys** on a very successful event. Keep up the good work!

### Sport Stop

#### Get ready for Camp Olympics!

Camp Olympics will be held on Tue July 15th

Campers will be divided into:

**Team Lightning vs. Team Thunder**

Campers will participate in events ranging from Sports to Trivia and everything in between. All campers will participate in age appropriate events and all points earned will then be tallied to determine our winner! So bring your Camp Spirit and get ready to have a blast.

**Parents:** Our swim schedule for the week will follow our regular schedule, so please send your children with their swim suits on and ready to swim.

#### \*\*\*\*\*YPDCQ PARENT TIPS\*\*\*\*\*

1. Please check your child's backpack to see what they are bringing with them. Make sure any and all valuables are kept at **home** where they belong and **NOT** brought to camp. We do not want unhappy campers who may lose or misplace these items, as we are not responsible for them.
2. Do not send your child with **too much** money as we do not want to be responsible for **monies lost, missing or misspent.**
3. Lastly, we can't stress how important it is to label everything!
