*****YPDCQ PARENT TIPS*****

1. Please check your child's backpack to see what they are bringing with them. Make sure any and all valuables are kept at home where they belong and not brought to camp. We do not want unhappy campers who may lose or misplace these items, as we are not responsible for them.
2. Proper clothing is always important, check the weather and dress them appropriately.
3. Please remember to send your children with their swim suits, towels and sun block. We also ask for all of your children's personal belongings to be clearly labeled with their first and last names. This helps in not confusing

sun block. We also ask for all of your children's personal belongings to be clearly labeled with their first and last names. This helps in not confusing one camper's belongings with another's.

4. Lastly, we can't stress how important it is to label everything!
